

Knowbella Tech wins the pitch competition at the prestigious international Early Stage Investors Summit, VOX Angelis 2019, Moscow, Russia, 14 September 2019.

Jason E. Barkeloo represented Knowbella Tech in the pitch competition against 12 other selected companies at the 3rd International Early Stage Investors Summit, VOX ANGELIS 2019, which is a high level gathering of private early stage investors that took place in Moscow 2019, September 13-15, 2019.

The Summit, where top early stage investors, representatives of the international investment communities, business angels, seed funds and other early stage investments players met for 3 days in a wonderful forest resort at the AREAL park hotel: 21/1 Sirenevaya Str., Rodinki township, Novaya Kupavna village, Noginskiy district, Moscow region in September 13-15, 2019, near Moscow, Russia.

The judges on the panel were Charles Sidman, Managing Partner, ECS Capital Partners; Alexey Girin, CEO and Founder, Starta Ventures, Starta Accelerator; Igor Ryabenkiy, General Partner, Altair Capital, AltaClub; Pavel Korolev, Founder, CEO, Pulsar Venture Capital; Sergey Dashkov, Angel Investor.

The pitch contest was a unique format similar to a martial arts competition whereby the entrepreneurs were also engaged with each other in the question and answer with the judges and moderator through three 1-minute rounds of competition.

Mr. Barkeloo was also a speaker on the opening ceremony Plenary Session:
